

Sea Island Unveils Specially Designed Classic Yacht

Coastal Georgia Resort Adds Custom Yacht to Impressive Roster of Offerings and Experiences

SEA ISLAND, GA (February 2019) – Sea Island, a Forbes Five-Star resort on the coast of Georgia, recently welcomed a new 71-foot custom-built passenger yacht - known as the *Sea Island Explorer*. The state-of-the-art, three-level vessel, which is reminiscent of classic yachts of the 1930s, gives guests and club members the opportunity to explore the rivers and salt marshes that abound among Georgia’s barrier islands.

Built by J&M Metal Works in Green Cove Springs, FL, and DeJong & Lebet, Inc., Naval Architects in Jacksonville, FL, the *Sea Island Explorer* blends traditional flare with modern finishes, including arched, wrap-around windows that provide sweeping views of Sea Island’s natural setting. Accommodating up to 49 passengers, the yacht features a double living room on the main level, a covered top deck, and a prep kitchen and additional event space on the bottom level, making it ideal for scenic nature tours, pre-dinner cocktail cruises, customized private events and more. Food and beverage can be customized for each the occasion. Clay Fordham, a naturalist and Sea Island captain with more than ten years of experience in local waters, will lead all operations aboard *Sea Island Explorer*.

“We are always looking for ways to further enhance our guests’ experiences, especially those that provide the opportunity to see Sea Island and our expansive salt marsh from the water,” said Scott Steilen, President and CEO of Sea Island Company. “The *Sea Island Explorer* will live up to its name, allowing guests of all ages to get an up-close look and better understanding of our amazing ecosystem.”

In addition to unveiling the new yacht, Sea Island is celebrating its 90th “Emerald” Anniversary throughout 2018. Currently, The Lodge at Sea Island is undergoing a multi-million dollar enhancement project that will debut six new cottages this fall; an oceanfront pool, pool house and 18-hole putting course this summer; and a new state-of-the-art Golf Performance Center (early 2019).
