BY [BROOKE SHOWELL KASIR](#)

New year, new places to travel. These 10 islands made this year's hot list of the best places to travel in 2017 thanks to a host of new resorts and reasons to visit. So pack your bags and start planning your next getaway.

Sea Island, Georgia

The state appears on many travel hot lists for 2017, especially thanks to Georgia's quirky, craggy coast that threads throughout a chain of barrier islands — the most idyllic of which may be at the private resort community of Sea Island, with its five-mile stretch of coastline. Historic Mediterranean-style hotel [The Cloister](#) recently added 63 rooms, making it the perfect home base for spa-going, golf and even seeing the sea turtles nest.
