The Sea Island Legacy Fund

As told by Scott Steilen, President and CEO

Our Purpose as a company is to enrich the lives of our team members, club members, guests, and community. It is no coincidence that team members are listed first, as we firmly believe it is their commitment to providing gracious hospitality that differentiates us from any other resort in the world.

To help provide for our Sea Island family in a time of need, The Sea Island Legacy Fund was created to assist team members who may be experiencing a unique, severe, economic hardship. This endeavor is perfectly aligned with our Purpose.

In thinking about creating this fund, I was approached by one of our Sea Island Club members who challenged us to raise \$50,000 by stating that they would match that number if we were able to achieve the goal. That number was quickly exceeded with generous donations from our membership community. To me, this spoke volumes and showed just how deeply our club members care for our Sea Island family.

With these donations, we moved forward with creating the fund and partnered with two key organizations - The Communities of Coastal Georgia Foundation and The Society of St. Vincent de Paul - to manage and execute The Sea Island Legacy Fund. This allows any team member to reach out and discuss their needs through candid, confidential conversations.

Since the creation of The Sea Island Legacy Fund, we have distributed hundreds of thousands of dollars and will continue to raise money to provide for our Sea Island family. Whether it's for the team members themselves, or for their family members, we want to help them succeed.

If you have an interest in making a contribution to The Sea Island Legacy Fund, you may do so by contacting the Communities of Coastal Georgia Foundation at 912-268-2561 or www.coastalgeorgiafoundation.org/donors/current-funding-opportunities.

The Sea Island Legacy Fund is managed by our partners, The Communities of Coastal Georgia Foundation and The Society of St. Vincent de Paul.
