Earlier this month, I had the privilege of helping to organize and volunteering at the inaugural 'Pickleball for a Purpose' tournament, benefiting United Way of Coastal Georgia (UWCGA). This was the first pickleball tournament that Sea Island has hosted and it generated significant interest, quickly filling up. Held at the Retreat Tennis Center, the tournament brought together 32 teams of two in a round-robin style tournament. Winners were awarded in three categories: Beginner, Intermediate, and Advanced. All proceeds from the tournament directly benefited UWCGA, which works to improve lives within our community by investing in local programs for education, health, and financial stability. It was such an honor to help bring this fundraising tournament to life alongside our dedicated partners from United Way, and we are already planning to bring it back next year. If you're interested in joining a team that is passionate about enriching the lives of its community, I can't recommend a better place than Sea Island.
